

## **ANNUAL REPORT**

**2019-2020**

### **Introduction**

Our organization was established to empower rural children through education and promoting standard education in early childhood. We have reported school which is affordable to reach this school for making new generation well equipped with intelligent knowledge and well trained in other extra curriculum with sports activities.

### **Children's Day Celebration**

This year we conducted children's day with conducting election, fancy dress, singing competition, essay writing, Rangoli, Drawing and Dancing. Children all given prizes and made them happy. Parents lovely attended the function and encouraged their children. Teacher made very good arrangements and public gave great impact on each child performance. Rural children did not feel themselves not talented than city based children.

### **Environmental Awareness Programme**

Environmental Awareness this year planned by conducting really and planting saplings. Children's SHGM members, parents, public, youths and other interested people nearly 1500 gathered to make success of really. The end we gave an each nursery plants to each person and in our school premises we planted nursery plants. We took pledge on environment saying not to use plastic, not to make solid waste and do planting sapling on birth day, wedding anniversary and village festival days.

### **Independence Day Celebration**

Morning all children conducted parade, chief guest, panchayat president Mr. Gothanda Raman, Hoisted National Flag and Distributed prizes to the children. In his speech he delivered that education is important for each child to change the present situation in our country learn to respect each human and maintain social Justice for better society in future. Never give opportunity to develop caste discrimination because we all are human and no one is high no one is low, so you children learn to demolish castism in your school, community and family. Learn to respect all as equal. Then see the power of our nation with in few years we will come to super power among other nation in the world.

### **Medical Camp Programme**

We invited ottampattu primary health centre village health nurse to examine each children, parents in our school, minor ailments were treated, complicated were reformed to gingee government hospital. For further management morning 9.30 we started the medical camp, children, parents, public were largely attended the medical camp, Altogether 625 people benefited and government nurse educated children an hand washing before eating and after coming out of toilets. Girl children are educated to say don't touch and anybody makes unnecessary problem tell to parents or to adult in family for preventing sexual harassment in school and society.

## **Republic Day Celebration**

We invited counselor Mr. Narayanan to hoist the National Flag, children and public gathered to honor our nation Republic day. Morning 8.30 we conducted Hoisting National flag and chief guest delivered very good motivational patriotic message to children and parents. He added that Republic means democratic, it is our government we have all responsible to make them, perfect in their performances. Parents and children enjoyed the day and Honored our patriotic leads.

## **Conclusion**

We thank all our well wisher and guides. We thank government officials and educational department officials. We thank all our children parents and villages for their best support.

## **ANNUAL REPORT**

**2020-2021**

### **Children Day Celebration**

This year we did not open our school due to pandemic and children day celebration was conducted in our village. Morning kabadi competition, three leg Race, Police and thief, TVG-of-war, local village games were conducted separately for Boys and Girls. Evening 3 clock Conducted prize distribution with VAO permission and not stayed all together not even one hour. Due to corona pandemic it was not good to over look government orders.

### **Environmental Awareness Programme**

This year we have planned to Distribute Nursery plants to all families, and motivated public to follow the Environment Activities in the family. Since pandemic, we went to each house and made them to do planting sapling in our village itself. This time, all fruits Nursery plants were Distributed and along with Nursery plants Hand bills also Distributed to each house on preventing plastic use.

### **Independence Day Celebration**

We were advised to not to gather public, so we arranged only children with standing with distance and sis not allow anyone to touch each other. Our village leader Mr. Saravanan Hoisted the flag and Distributed sweets.

### **Medical Camp Programme**

We organized Medical camp with Government Hospital team to avail Covaxine, Covidshield vaccination to public, many people came with fever and mild complication, all were advised to get "Kabasura Kudineer" Regularly and we Distributed packet to all families in our village, many people still prepare the "Kabasura Kudineer" further wellness.

### **Republic Day Celebration**

We were promoting online class in our village planned to celebrate Republic day, we requested village Administration officer for conducting Republic day, He said that only to people are allowed to celebrate, As per Government order we conducted Republic day. Distributed food to aged people.

### **Covid-19 Awareness And Relief Programme**

Corona played terrific role in village peoples life and many lost their life, many suffered by Corona and spend lots of money to save their life. Poor and Below poverty people and their family did not have three time food daily.

To support poor people to get some food materials and Health Support materials. We prepared contains of 5kg Rice, 1/2kg Dall, sugar, Tea dust, Biscuits, Oil, cooking oil, Black Gram, Chickpea, Peanut, Washing soap, mask, Bengal Grams, Sanitizer and Bathing soap. We reached 340 families and helped them to secure their life.

### **Conclusion**

On this Pandemic season we suffered a lot to do any work within time, no transportation, no permission and no way to reach poor and needy. Even them Government officials, Health team, village Revenue Team all gave great support to do some of our activities. We thank each one of them for their valuable support.
